

Amendments to the Specification:

In the English translation document, please delete the term --Description-- at page 1 written line 1 before the title.

In the English translation document, please add the section heading and paragraph at page 1 written line 4, after the title, as follows:

--CROSS REFERENCE TO RELATED APPLICATIONS

This application is the US National Stage of International Application No. PCT/EP2004/052630, filed October 22, 2004 and claims the benefit thereof. The International Application claims the benefits of German application No. 10350353.6 DE filed October 29, 2003, both of the applications are incorporated by reference herein in their entirety.--

In the English translation document, please add the section heading at page 1 written line 4, after the newly added CROSS REFERENCE TO RELATED APPLICATIONS section, as follows:

--FIELD OF INVENTION--

In the English translation document, please add the section heading at page 1 written line 13, as follows:

--BACKGROUND OF THE INVENTION--

In the English translation document, please add the section heading at page 1 written line 22, as follows:

--SUMMARY OF INVENTION--

In the English translation document, please amend the paragraph at page 3 written lines 19-20, as follows:

An object of the invention is to make possible a reduction in costs for communication devices.

In the English translation document, please add the section heading at page 6 written line 5, as follows:

--BRIEF DESCRIPTION OF THE DRAWINGS--

In the English translation document, please add the section heading at page 6 written line 18, as follows:

--DETAILED DESCRIPTION OF INVENTION--

In the English translation document, please amend the paragraph at page 8 written lines 19-24, as follows:

So that the aim of reducing costs which is achieved by an exemplary embodiment+ is not counteracted, it makes sense to dispense with continuous calculation of the RTCP statistics based on all received RTP packets. The following approaches to solutions for reducing the effort of calculating the RTCP statistics can be adopted:
